Thank you for accompanying your group today.
We hope you enjoy your visit and we appreciate your help in maintaining an orderly atmosphere.

The Botanic Garden is a living plant museum. Out of respect for the collections and for everyone’s safety please familiarize your group with and abide by the following:

✦ Chaperones must stay with student groups at all times.
✦ Botanic Garden Guidelines & Safety:
  ➢ Do not touch the plants unless your tour guide invites you to.
  ➢ Wet walkways are slippery, please walk.
  ➢ Watch out for hoses and other gardening tools.
  ➢ There may be bees or other insects in the greenhouses.
  ➢ Be aware that some greenhouses are very warm and humid, especially in the summer.
  ➢ Enjoy, but please don't touch exhibit panels.
✦ Remember:
  ➢ Your tour guide is volunteering their time today.

Thank You!
